

# The BayScot Special Edition Bulletin

## SFBSTC Update

I hope this newsletter finds you and your families well and in good health. To provide you with current information for upcoming activities and events, this special edition will provide you with the latest information.

Although our specialty is not until November, this advance notice will provide you with information for registration and permit you to contact SFBSTC with questions and assistance.

Other updates include changes to our calendar, an upcoming vote on our by-laws, and committee assignments.

## SFBSTC Specialty Approval

Lisa has received word back from STCA and AKC that we have approval for our specialty. There are no conflicts with their calendar of scheduled events, and we could hold a specialty in November

Our specialty event will include a general meeting immediately following the ring events. Detailed information will be provided at our next general meeting. Since this is the first opportunity, we will have had in a long time to meet face-to-face, it is an opportune time for us to hold our annual election.

If you have concerns you would like the Board to consider, please send me an email so I can get these on the Board agenda...

# By-Law Change Proposal

## Board/Officer Reduction:

At our first general meeting I spoke the membership about my concern that the total number of officers and board members was in my opinion to large given the number of voting members and even less participation at our general meetings. This has been the case for many years prior to COVID-19, and even is the case during the COVID-19. The proposal for you to consider is a yes or no vote to reduce the Board as shown in the chart below.

NOTE: A member had asked if AKC would approve? Answer from AKC: “Per my previous response below, the number of directors is for your club’s board to determine as the board is entrusted with the management of the club. “

Current Board	Proposed Board	Modification
1. President	President	No change
2. Vice President	Vice President	No change
3. Secretary	Secretary	No change
4. Treasurer	Treasurer	No change
5. Board member #1	Board member #1	No change
6. Board member #2	Board member #2	No change
7. Board member #3	Board member #3	No change
8. Board member #4		Remove
9. Board member #5		Remove

The change in the by-law text is one word and is highlighted below.
